Price:

24500.00 \$

2007 Seadoo Challenger 230 SE with very low hours. Has recent oil change and plugs. Has new \$700 cover and new tires on the trailer. Excellent condition and handled gently. This boat goes fast. Has satellite stereo and Garmin. 23 foot 6 inches overall. Has Cobra Jet steering rudders for additional slow speed handling. Lots of fun for a fraction of what the new boats are costing.
